

SPEC OPTION (PTY) LTD “INVITE A FRIEND” PROMOTION TERMS & CONDITIONS

The “Invite a Friend” Promotion (“Promotion”) is hosted and administered by Spec Option (PTY) LTD., authorized under FSP License Number 51303 (“Company” or “uMarketPro”).

Through this Promotion, participants can earn a reward credited to their live trading account (“Reward”). The Reward is calculated based on the number of individuals introduced by the participant (“Referred Friends”).

The individual who joins the Promotion and introduces Referred Friends will be referred to as the “Referrer.”

The official uMarketPro website (“Website”) is located at umarketpro.com.

The amount of the Reward is proportional to the total number of Referred Friends introduced by the Referrer. More Referred Friends result in a larger Reward credited to the Referrer’s trading account. The Reward can be withdrawn subject to the conditions outlined in the Reward Trading Volume Requirement.

Terms and Conditions

Participation in the Promotion is contingent upon both the Referrer and the Referred Friends having verified and activated trading accounts in compliance with the [General Terms and Conditions](#).

Enrollment in the Promotion must be recommended by the Account Manager and approved by the Company.

All trading activities associated with this Promotion must align with the [General Terms and Conditions](#).

uMarketPro aims to process participation requests promptly and to allocate the Reward within 10 business days following the verification and activation of the Referrer’s trading account. Verification involves completing the KYC and AML processes. Any delays beyond the Company’s control may extend the processing period. The exact timing of Reward allocation will be determined by uMarketPro at its sole discretion.

If the Referrer holds multiple trading accounts, they can designate the account to which the Reward will be credited.

Eligibility Criteria

Reward Calculation

| Number of Referred Friends | Reward Percentage of Deposited Amount |
|----------------------------|---------------------------------------|
| 1 to 5 | 15% of their deposited amount |
| 6 to 10 | 20% of their deposited amount |
| 10+ | 30% of their deposited amount |

uMarketPro reserves the right to modify, update, or discontinue the Reward (or the Promotion) at any time for any reason. Changes will be announced on the Website or by removing the Reward details from the Website. uMarketPro assumes no responsibility for participants’ failure to comply with the Promotion’s Terms and Conditions or any subsequent changes.

Exclusions and Disqualifications

By using the trading platform and engaging in trades, participants agree to avoid practices deemed abusive or manipulative. Such actions include but are not limited to:

- Attempting to influence the Company's quoted prices.
- Manipulating the Company's execution policies.
- Exploiting system errors or delays.
- Engaging in insider trading.
- Engaging in coordinated trading to exploit technical issues.
- Conducting arbitrage trading (e.g., latency, swap, or bonus arbitrage).
- Employing irregular trading strategies, such as scalping or brief holding periods.
- Allowing unauthorized third parties to trade on the account.

If any such practices are detected, uMarketPro reserves the right to:

- Cancel the offending trades.
- Reclaim any profits derived from abusive practices.
- Terminate the account under the General Terms and Conditions.
- Disqualify the client from receiving the Reward.

Inactive accounts are not eligible for this Promotion. In case of disputes, uMarketPro will resolve them fairly, and the Company's decision will be final.

Clients acknowledge that CFD trading involves significant risks, and they confirm their awareness of these risks during the account opening process.

uMarketPro retains the right to amend, suspend, or terminate the Promotion without prior notice at its discretion.
